

163.36 Identification required.

1. All boars, sows and stags received for sale or shipment to slaughter by a livestock dealer, livestock market operator or stockyard operator shall be identified at the first point of concentration by such dealer or operator by application of a slap tattoo or other identification approved by the department.

2. All boars, sows and stags consigned directly from a farm to a slaughtering establishment shall be identified at the first point of concentration by the consignee.

[C77, §172A.17; C79, 81, §163.36]

Referred to in §163.37
